OFFICE OF THE DIRECTOR OF INDUSTRIES AND COMMERCE AND PROVINCIAL COAL CO-ORDINATING OFFICER IN MYSORE, BANGALORE.

Notification dated 5th February 1949.

No. E1-51—45-46. The supply position of Hard Coke in the State for the past two quarters is extremely bad. The supplies received are not even sufficient to meet the demands of such essential consumers like, Steel Works, Smelting Works, etc., to whom it is of vital importance. The position is not likely to improve for another four to six months. In view of this acute shortage, it is found absolutely necessary to rationalise distribution of Hard Coke. The several consumers of Hard Coke are therefore hereby informed that they will have to switch on to some other kind of fuel suitable for their industry and that this Department cannot guarantee any regular supplies hereafter. There is, however, a small quantity of Soft Coke which will be issued to essential users in place of Hard Coke on their requisitions.
